

SCRUMKIDS RUGBY COACHING

Prospectus

ScrumKids offers fun, rugby themed sessions for children aged between 2 and 8 years old. We teach children the basic skills and concepts of rugby with a view to inspiring a love for the game and team sport in general.

Founded in 2013, ScrumKids now has sessions across the UK and we are looking to expand all the time.

The model is designed to engage children, from as early as possible, with the sport and then feed them on to play club rugby for their local side.

Classes are split in to three different age groups:

- 2-3.5 years
- 3.5-5 years
- 5 to 8 years

Sessions last between 30-40 mins depending upon the age group and ability.

Session games can range from simple colour recognition exercises and basic movement challenges to handling drills and full tag rugby matches.

Our standard model setup is usually on a Saturday or Sunday morning with three classes that run back to back. 30 minutes for the toddlers (age 2-3.5), 40 minutes for juniors (age 3.5-5) and 40 mins for seniors (age 5-8).

However, we do run mid morning sessions and evening sessions elsewhere and are willing to be flexible when working with coaches.

WHAT WE WANT...

We are looking for energetic, committed coaches who are enthusiastic about getting children engaged with rugby and aren't afraid to get a little silly with the kids.

- **Be comfortable around children**
- **Demonstrate a basic understanding of sports coaching**

WHAT WE OFFER..

- **£10 per hour**
(minimum of £20 for leading a session)

- **Termly plans provided**
